Cost

N/A

10 - Lake Boone Trail Safety Improvements

I-440 Ramps - Ridge Road

PLANNING

DESIGN

ROW ACQUISITION

CONSTRUCTION

Lead Agency

City of Raleigh

Description

The project will reduce travel lanes along the roadway to two lanes between the I-440 ramps and Ridge Road. We will install a left turn lane, and bicycle lanes along the street. The project also proposes at least one pedestrian refuge island to improve connectivity to transit and the House Creek Greenway Trail. - [Webpage](#)

**Est.
Completion**

January 2026

Cost

\$1.3m

West Raleigh Mission

West Raleigh's mission is to coordinate thoughtful public and private investment that adds value to the existing stakeholders and community. Those who live, work and play in West Raleigh deserve complete streets infrastructure and mixed-use developments, increased job opportunities, affordable and accessible housing options, a pedestrian-friendly environment, increased property value, and a vibrant destination

About West Raleigh

The vision for the West Raleigh Corridor, which West Raleigh supports, is established by the state master plan and comprehensive public realm improvements as envisioned in the 2012 Corridor plan. Our stakeholders are committed to the Corridor becoming a distinct destination in Raleigh in which its major existing institutional assets (health and wellness; museum and research; entertainment and education institutions) are connected by safe, walkable, pedestrian/bicycle friendly, mixed-use, transit-oriented development projects.

West Raleigh envisions a corridor that supports an equitable and inclusive ecosystem, enabling all people to participate and reach their full potential. We believe in promoting equitable access and opportunity, recognizing the need to address systemic and institutional inequities, especially in matters of race. We recognize that to achieve our vision, we must lead our sector in making the changes we want to see in society. Working in cooperation with public agencies to achieve this vision, the Alliance promotes complementary public and private investments that will result in new jobs, increased property value and tax revenue, needed safety features and amenities; and ultimately a vibrant new destination in Raleigh – North Carolina’s capital city.

WEST RALEIGH

Leading the Way for Equitable, Inclusive and Sustainable Growth

(Formerly Blue Ridge Corridor Alliance)
