About West Raleigh

The vision for the West Raleigh Corridor, which West Raleigh supports, is established by the state master plan and comprehensive public realm improvements as envisioned in the 2012 Corridor plan. Our stakeholders are committed to the Corridor becoming a distinct destination in Raleigh in which its major existing institutional assets (health and wellness; museum and research; entertainment and education institutions) are connected by safe, walkable, pedestrian/bicycle friendly, mixed-use, transit-oriented development projects.

Working in cooperation with public agencies to achieve this vision, the Alliance promotes complementary public and private investments that will result in new jobs, increased property value and tax revenue, needed safety features and amenities; and ultimately a vibrant new destination in Raleigh – North Carolina's capital city.
